

# Bioenergy – Unlocking the Circular Economy

## Melbourne Bioenergy Networking Event

22 February 2024

### PROGRAM FEATURES

-  Doors open 8:30
-  Event Starts 9am
-  Presentations, Networking and Mini Workshop
-  Interactive Workshop
-  Site Visit to Yarra Valley Water
-  Networking Lunch

The VBN team is excited to unite key players in Victoria's bioenergy sector for knowledge exchange and project acceleration. Attendees span various sectors, including government, technology, consultants, carbon credits, waste management, and renewable energy buyers. Bioenergy in Victoria is crucial, providing low carbon fuels, renewable gas, and support for business decarbonization through dispatchable renewable energy. Join us to energize this innovative sector and drive positive change.

**GROW YOUR  
NETWORK**

**REAL INSIGHTS  
AND CASE  
STUDIES**
