SITE VISIT PROGRAM 11th June 2026

SITE VISIT - BARWON BIOENERGY FORUM

The major highlight of this year's Barwon Bioenergy Forum will be the exclusive site visits on Wednesday 11 June, including visits to Deakin University's BioFactory and Viva Energy's Energy Hub in Geelong.

This is a fantastic opportunity to experience firsthand the innovation, infrastructure and industrial capability helping shape the future of bioenergy and renewable fuels in Victoria.

Please note that site visit tickets must be booked separately via the event website, with two tour times available. Bookings are essential for entry.
